

# Manor Green College

'Opportunity and Success For All'

Dear all,

A huge thank you to everyone for your support in what has been another incredibly challenging half term for the college community.

We continue to do everything we can to make sure the college remains open to all and that students continue to enjoy all of their activities. However, Covid continues to put pressure on everyone and I am sorry if you and your families have been affected in any way.

I am incredibly proud of the staff and students for what we have achieved throughout this term. Our students continue to be incredibly resilient and flexible and never cease to amaze me. Whilst Winter Lights wasn't fully open to the community, the event in the college for students was truly amazing. It showcased the fantastic work and creativity we have across all of our classes. We have also been blown away with the generosity of the community when we have been fundraising this year. The raffle prizes given were the best we have ever had!

We are especially looking forward to our Christmas dinner this week. I also have the difficult task of judging which classroom has the most festive feel to it as they all look brilliant!

I really hope you all have a happy and healthy Christmas and New Year. We look forward to seeing our students return on Thursday 6<sup>th</sup> January.

Best Wishes  
Tom Smith

## UPCOMING EVENTS

Tuesday 4th & Wednesday 5th January 2022  
INSET DAYS

\*

Thursday 6th January 2022  
Spring Term 1 Commences

\*

Monday 31st January - Friday 4th February 2022  
National Storytelling Week

\*

Tuesday 8th February 2022  
Safer Internet Day

\*

Monday 7th February 2022  
AITC Albion Cup - The Triangle

\*

Monday 21st February - Friday 25th February 2022  
Half Term

\*

Monday 28th February 2022  
Spring Term 2 Commences

\*

Wednesday 3rd March 2022  
World Book Day

\*

Thursday 10th March 2022  
School Photograph Day

\*

Friday 8th April 2022  
Spring Term Ends

\*

Monday 25th April 2022  
Summer Term 1 Commences

\*

**\*\* Please note: due to WSCC policies first aiders are now required to contact Parents / Carers at the time of administration for non-prescription medications such as paracetamol.**

**Can we also remind parents not to park in Ifield Medical Practice car park. The car park is strictly for patients and their visitors.**

**Reminder for all driving transport - please ensure you keep to the 5mph limit whilst on site. We've had reports of cars driving too fast and we need to keep our children safe.**

Students from 4HH and 4KZ recently visited Chichester Cathedral as part of a West Sussex Music Service project called 'Journey to the Moon'. Prior to their visit the students had a number of zoom sessions with music teachers and musicians. They were thinking about questions like *'What would it be like to go to the moon? What would the phases of the journey be?'*

The students sang and used lots of different musical instruments during the zoom sessions and also on their visit to the Cathedral. Check out that beautiful moon! Everyone had a brilliant day. Thanks to the West Sussex Music Service for inviting us to be part of this event.

# RECYCLING

Please continue to save ANY empty potato crisp packets and any Walkers packet for collection at school. Our DofE volunteers are doing a great job sorting them ready to send to Terracycle.

FE students got into the spirit for Children in Need 2021. Even the Headteacher and Governors joined in. Taking lots of pictures and having fun. The students made (and ate) cupcakes.

Cameron Humphrey (Yr14) challenged Mr Court to a tense competition where each took turns to add a biscuit to make a tower. The first to fall was the looser. Keep your eyes peeled for the suspension filled video to be uploaded to MGC TV.

<https://www.youtube.com/channel/UC16Kp4sEluOmlITzdIFzSRg>

The FE students have been working really hard on displays for Winter Lights. They have made a giant Rainbow fish and the head of an Angler fish. They have also made a school of CD fish, keep an eye out for them on the procession.

In our cooking lessons the FE students were baking up a storm. Making cakes for their own pudding as well as making them to celebrate birthdays and special occasions. The students have been working hard and practicing following recipes and being fully independent.

Our annual trip to the Cinema; this year we watched Space Jam 2. Everyone enjoyed the film and the lovely walk there and back in the winter sunshine.

The Year 12 students in FE have been working on a recycling project with old wellies. They have decorated old wellies and then filled with soil and planted them for spring. They are all hanging on the fence in-between FE and the new building. Keep an eye out for a spring update when the plants should be starting to grow.

## NCS Activity Project 2021

Over two weeks, this half term, FE students took part in different activities, workshops and discussions provided by the National Citizenship Service.

The students had a great time participating in offsite activities at Lodge Hill Activity Centre; trying things like snow-tubing, crate stacking and rifle shooting. Back onsite in FE, the students took part in social action projects and discussing their local community. The aims; to engage in teamwork, develop their communication skills and build confidence.

It was a fantastic two weeks and we are very grateful to the NCS for providing the opportunities for our students. If you would like more information about the National Citizenship Service and their support, please search <https://wearencs.com/>

# 3MG

The students in 3MG have made a great start in College this term, here are some of their comments.

- Alan - likes joining in all our activities with his new friends.
- Aya - When we went to Bodiam Castle we looked up the chimney of the big fireplace and climbed up and down the spiral staircase which some of us found quite tricky. I was nervous at first but it was okay. We walked across the long bridge over the moat and saw some really big fish.
- Bareera - I liked going to the garden centre to buy bulbs to plant in our new class garden. We like going out in our garden.
- Kaynaat - We do cooking in college and have made lots of different things like cheese scones, chocolate cakes with icing, muffins and we made our own sandwiches. We went apple picking at a farm and then made apple crumble.
- Kritty - enjoyed all the dressing up and drama for the story of Rama and Sita, for Halloween and for the Nativity Story.
- Louis - I like playing Dishes and Domes in PE and jumping on the trampoline.
- Oliver - remembers going to the Weald and Downland Museum and hearing the story of The Little Red Hen and how to make bread from planting the seeds to baking it in the oven and then eating it.

# Winter Lights 2021

## Our Oceans

This year our theme was all things related to the Oceans. We wanted to acknowledge our part to play in protecting our environment, as well as knowing that water is a wonderful substance, a source of life and creative inspiration for artists all over the world.

We had an artist called Michelle Dufaur from Samesky visit us on Tuesday 30th November to help us create a huge Seahorse. Michelle makes all the animals for Wakehurst Place Glow Wild.

We also had a visitor from Souther Water this term to tell us all about being water wise. Many classes visited the beach this term, explored the activities in the Passports and everyone contributed creative makes to the Winter Lights.

Unfortunately, this year we cancelled the outdoor event due to the unpredictable nature of Storm Barra, so we held the event indoors during the school day on Thursday 9th December. All students had the opportunity to walk with their lanterns through the decorated corridor, the underwater Drama Studio and the hall containing all the big lighted makes. We had so much fun creating it all and the students really enjoyed the magical and sensory experience.

We plan to share the event with parents and friends, either in-person or virtually, in the new year.

### Trip to Woman in Black

On the 23<sup>rd</sup> of November students in KS4 got to go and see the terrifying 'Woman in Black'. The students travelled all the way to London to the Fortune Theatre for the Matinee showing of the play. The students have recently been studying the book by Susan Hill but were spooked to see how it was translated for the stage.

'We were in the front row I never jumped so high!' said Tegan. 'I had to hide behind my teacher!' said Abi. We had a brilliant spine tingling time!

### Teal Breck Project!

Over the past term the Teal Group have been working towards an Discover Arts Award. The group have been creating a dance and sign routine to the song 'My Game' by the Breck Foundation. The Breck Foundation is an online safety charity which was created after the tragic murder of Breck Bednar who was murdered when he was 14 by a friend who had groomed him online.

The aim of the project is to learn how to keep safe online and then teach others at the same time! Teal Group have been very committed to their studies and created a superb routine which will help the younger students in the school. Well Done for all your hard work. For more information on the Breck Foundation see

[www.breckfoundation.org](http://www.breckfoundation.org)

# 4MH

## Rising Fashion Star

Maheera in 4MH has a passion for fashion! For the Winter Lights Maheera was asked to create a dress inspired by The Little Mermaid's villain Ursula. Maheera used bin bags, stables, newspaper and gaffer tape to create her one of a kind high fashion dress.

## Rubbish Rubbish Everywhere!

For the past 12 weeks 4MH have been taking part in litter picking for their volunteering for the Bronze Duke of Edinburgh Award. The students have cleared rubbish from various different areas around Sussex, including, Pound Hill, Bewbush, Ifield, Maidenbower, and Brighton. The students have been quite shocked at the amount of rubbish that people drop! Overall the students have collected over 50 bags of rubbish.

We have had some lovely comments from the community thanking us for our efforts and one café owner gave the group free hot chocolates for cleaning the beach outside his café!

If you have rubbish when you are out bin it, don't drop it.

# Manor Green Community Sing & Sign Choir

The Community Choir keeps going from strength to strength and numbers continue to grow. In normal times we now meet both in person and have community members join us on Zoom. For the last few weeks of term everyone has had to meet on-line through Zoom, and this will continue until further notice.

The choir have recorded their Winter Lights themed songs and these will be available to watch on Manor Green TV soon. The choir also performed on Crawley High Street on Monday 13th December as part of a Festive Fayre organised by Crawley Town Centre Business Improvement District. We had a fantastic audience, and a chance member of the public communicated how thrilled she was to see the choir and the signing, as she was deaf. It feels so gratifying to get as much signing as possible out into the public.

# TABLE CRICKET

The students from 3EJ and 3DP have been learning how to play table cricket this term. Sussex cricket have been coming in to the lessons to teach us all the rules and how to play.

The students have picked up the game very quickly and we will be attending a Table Cricket Tournament in February 2022.

Table cricket is an adapted version of cricket, played on a table tennis table and specially designed to give young people with a disability the chance to play and compete in this adapted sport.

We have also been chosen to test the brand new table cricket equipment that has been developed by the Lords Taverner Cricket Association and the Robert Gordon University in Aberdeen.

We are the first school in the country to use this equipment and our feed back is being used to make further improvements.

# CHRISTMAS CAKE DECORATING

THE FINISHED PRODUCT!!!

# 3AC

This half term 3AC have been visiting a number of destinations as part of Life Skills and Community Visits. We have been to Horsham Park, Nymans Gardens, Standen Gardens, Portslade Beach, Tilgate Park and Southwater Park. These outings have helped the students develop their ability to cope with new experiences and learn to manage other environments outside of the school setting. Well done 3AC!

Capt Paul Furber and colleague Charlie Bennett came into the college for an informative talk about Remembrance Day.

Students were able to try on soldiers kits.

They had a great time learning to March and Stand to Attention when ordered to.

## A Merry Autism Friendly Christmas

What a year this has been! I am so glad that the magic of Christmas is here to cheer all of us up. Greetings to one and all from the High Needs Classes of Manor Green College. Sincere thanks to everyone who has worked tirelessly to ensure that our children have continued to come into school despite the challenging circumstances in which we all find ourselves.

I know this period can be so overwhelming for some of our young stars however it can also be a time for renewed hope and vigour for the year ahead. It is our fervent wish that 2022 will be the year for our great renewal.

Christmas can be a magical time, but if someone in your family is on the spectrum, there's the added pressure to get it right. These simple pointers may help:

- Have a designated place to relax and retreat, especially if you plan to have a houseful of guests. You could even call it a 'quiet room'.
- Be very clear about when friends, family or neighbours may visit. Write up a schedule and stick it on the fridge or somewhere it is easily accessible/ visible.
- Use advent calendars to your advantage – It is a very chocolatey countdown which can be really beneficial to make people aware of upcoming events even for parents.

There are some families who opt for a one-day Christmas, when decorations and lights are put up and taken down the same day. This reduces the anticipatory anxiety brought about by the big day. This is, however, not fair on other children within the family and may cause resentment. Please only do this if it is absolutely the last resort. Alternatively, how about decorating a designated 'Christmas room' to limit the impact of changes to other rooms in the house?

Look at the world through the eyes of your young person – what aspects of Christmas do they enjoy? There are no rules – Christmas can be whatever works for you and your family. Enjoy Christmas your way! Have some Christmas-free time away from the festivities – this can be helpful to reduce anxiety. A quiet stroll in the park or feeding the ducks could help, if this is what you normally do to relax.

Father Christmas can cause anxiety. Prepare your young ones by showing them pictures, or perhaps Father Christmas could drop off presents at a family member's house instead.

There are however a lot of online events going on that whole families can join in such as autism-friendly pantomimes. Decide which events your young person would enjoy and book in advance.

Christmas dinners can be individual, so stick to what you know will be popular. Who says it has to be roast turkey? One of my students would absolutely love a meal of crackers, biscuits and crisps for Christmas!

On Christmas Day, try and keep to a routine that suits your family. If you need to make changes, then prepare in advance, using photos or social stories to explain what is happening.

Christmas is about enjoying yourself. It's your time too, so always ask for help from family and friends if you need it. You all deserve to pamper yourselves this Christmas.....It has been a very difficult year!

Merry Christmas all and a Happy New Year.

Sam Mubokie

# Children in Need

On Friday 19th November Staff and Students participated in the fundraising for Children in Need.

This year we partnered with BBC One's Strictly Come Dancing to bring some glitz and glamour to this years appeal. Instead of pyjamas and joggers students wore glitter and sparkles paying a contribution of £1.00 and were also able to purchase Pudsey merchandise.

Activities included a Zumbathon, Strictly themed Disco and making keyrings

At the end of a very enjoyable day Manor Green College were successful in raising a total of

**£399.95**

## Faye's Fantastic Fundraising

Faye Merle in 5GC led a Zumba session at school using Teams software so that other classes – and the office – could join in with her amazing Zumba workout.

Faye led the way with her great moves and others joined in the fun.

She was sponsored for Children in Need and managed to raise

**£ 214.74**

and the heart rates of most of the College.

It's a fantastic effort that deserves praise and Faye should be very proud of her excellent achievement.

In total a massive

**£614.69**

was raised.

FUNDRAISING

# STUDENT OF THE HALF TERM

## Year 7

### Personal Development - Holly Aldred - 3SU

Holly has really come on a long way since starting in September. It is really clear to see from her Maths work that she is listening to everything we are teaching her and implementing this into her work particularly with her use of arrays to solve multiplication problems. She is also showing all her skills in literacy and is producing some really well-presented writing.

### Consistent Good Work and Behaviour - Madison Wain - 3SN

Madison has worked extremely hard this half term, as indeed she always does. She is making great progress with both her Maths and also with her writing. In both she has been quickly picking up new skills and applying them to her work. In whatever Madison is doing, she always puts in her maximum effort which is fantastic to see. Madison has shown a real flair for IT and she has been using the word processing skills that she has learnt to great effect when making some fabulous Powerpoint Animations, both within lessons and also in her own time. Madison consistently works extremely hard and also often works with a very good level of independence. Her organisational skills are excellent and she is readily able to organise and plan work cooperatively as part of a team, showing some excellent, and also very mature, social skills. Madison is always extremely kind and supportive of others and It is pleasure to have her in class. Well done and keep up the fantastic work Madison!

### Most Improvement in Learning - Aya Khassal - 3MG

Aya has made a big effort this first term in the college and is well on her way to achieving her targets. In particular she has understood the importance of having her hair styled appropriately for her hydro sessions and now she ensures this is done every week. Aya is a delightful young lady with a great sense of humour. She keeps us on our toes!

## KS3 - Year 8 and 9

### Personal Development - Alan Camacho - 3DP

Alan is a happy and joyful boy. On arrival to class he always says 'Good Morning'. He is kind and polite. He makes requests by using simple sentences and waits for the reply. He helps others on a daily basis. For example: by running errands or holding doors open for a wheelchair to get by. He loves reading out the menu to all of his class mates in the morning. Alan enjoys trampolining in our garden space, reading books, singing songs and wants others to be laughing and giggling. Alan finds yoga hilarious and particularly enjoys 'Bee Breathing' which he is able to demonstrate to his class mates, Alan always listens to instructions. He always says 'Oh, I am sorry' without prompting, when he feels he has crossed a line. Alan is able to collect his dinner from the hall and bring it back to class promptly, as he does not get distracted on the way back. Alan is well liked by all members of his class. Well done Alan!

### Consistent Good Work and Behaviour - Kai Atkins - 3EB

Kai is a great, friendly and happy student. He is kind to his friends and enjoys playing games with them, especially football! He is always ready to learn and participates well in all of his lessons. He enjoys Maths, ICT and the World Around Us and is happy to have a go at any task that is given to him. He is curious about events in the world and is always keen to learn. During Drama lessons he is able to follow instructions and is also able to add his own ideas and improvisations which both staff and students really enjoy. He works extremely hard, listens well and has an impressive level of general knowledge which he is always happy to share with the rest of the class.

We look forward to seeing Kai everyday as he arrives with such a positive attitude. He is a pleasure to have as part of our class and is a great role model for other students in the college.

### Most Improvement in Learning - Alfie Salter - 3JB

Alfie has come into our class with a positive mindset and has been making great effort in his reading and identifying new words he comes across. He is always keen to have a go at answering questions in class, and works supportively with his peers. Alfie is a keen sportsman and likes to keep Stuart on his toes in football at lunchtimes. Well done Alfie on your progress so far this year.

# STUDENT OF THE HALF TERM

## KS4

### Personal Development - Callum Baker - 4PF

Callum has really grown in his personal development this term. He is becoming much more independent with a number of self-help skills such as getting his belongings organized, putting his coat away and preparing and eating his food. He needs less prompting from adults to help himself and is really motivated at the moment. He also has a brilliant positive attitude and does everything with a smile. Well done Callum! Keep up the fabulous work!

### Consistent Good Work & Behaviour - Sinead Arthur - 4IP

Sinead adjusted extremely well after transferring from KS3 to KS4. After the first few days of getting to know each other and settling into our new routine Sinead surprised us all with her confidence and enthusiasm within the classroom.

Sinead is focussed on her learning each day and completes all the work set for her without issue. Her communication with staff to demonstrate her needs has progressed at a pleasing pace, this helps Sinead establish stronger relationships at school which equates to a happy learning environment for her and us. We are very proud of her, well done Sinead.

### Most Improvement in Learning - Ben Maynard - 4DJ

Ben moved into Year 11 in September 2021. Ben is highly motivated to do well with his accreditations this year. Ben has been working extremely hard to improve his literacy skills during his own time. As a result of all Ben's hard work he has achieved 100% in his Entry Level 1 Test.

Well done Ben!

## KS5

### Personal Development - Henry Flowerday - 5GC and Lee Potter 5LM

#### Henry

Henry is well organised and independent around the college. Building on these skills, Henry has taken the opportunity to participate in work experience; supporting singing and signing in Key Stage 3. Henry is fantastic at this and is enjoying his job supporting the students. This is giving Henry loads of confidence - well done Henry!

#### Lee

Lee's second half term in FE has been his best and he has settled in well. His confidence is building and he has started sharing his thoughts and feelings more. Lee is a very sociable young man and likes helping friends. We are really pleased Lee feels more comfortable in FE, happy and becoming more independent.

### Consistent Good Work and Behaviour - Tyler Parkes - 5LM and Brandon Lover 5GC

#### Tyler

Tyler has made a fantastic start to life in FE and has already become more independent and enjoying more responsibly to manage himself. In lessons, Tyler works very hard and his teachers have noticed an increase in his confidence answering questions and talking in front of larger groups - well done Tyler.

#### Brandon

Brandon is very independent and a great role model to our younger adults. Brandon enjoys many additional responsibilities alongside his normal timetable and he manages these and himself really well. Brandon also participates in Work Experience with Tilgate Rangers and he is developing his work skills and working with others. We are very proud of Brandon and his attitude and he is looking forward to his next steps.

### Most Improvement in Learning - Xanthe Rowe - 5LM

Xanthe has quietly been getting on with her work and sussing out her new learning environment in FE. We are really happy to see Xanthe confident now to talk more in lessons and generally around the FE community. Xanthe is very good in all lessons and is very hard working, she likes a challenge and after her crate building heriocs at Lodge Hill Activity Centre, has grown in confidence to speak more in larger groups. Congratulations Xanthe & Well done!

# STUDENT OF THE HALF TERM

## High Needs

### Personal Development - Michael Adeniyi - 3AC

This half term Michael has been attending Gardening with Jenny. Michael has thoroughly enjoyed the experience. He finds the sessions calming and enjoys the 1-1 time he gets to spend with the adult working with him. His concentration level within the session has really improved as he can focus for up to an hour with the gardening activities. Well done Michael!

### Consistent Good Work & Behaviour - Joe Neville - 3CB

This half term Joe has greatly improved his behaviour and his listening skills during lessons and out in the community. He has become a key member of the class and will lead some parts of the lesson or the school day. For example, on a Friday Joe says good morning to each student and members of staff during registration. Joe has also started to join in with the signing song of the week and is doing an excellent job as DJ Joe. Well done Joe, keep it up.

### Most Improvement in Learning - Umar Ahmed - 3KC

Umar has made great progress in all areas of the curriculum he is now requesting snacks through PECS and is able to sit calmly for prolonged periods of times in lessons. Umars biggest achievement this term is that he is independently entering the pool.

# Headteacher's Award

## Josh Colvill - 5SM

Joshua has been outstanding this term. He is very happy in his personal space where he is now independently accessing his snacks instead of getting cross when they aren't given to him quickly. He is now proactively deciding to come to the common area to join his peers and asks to leave when he starts getting anxious. Joshua is able to make good choices, often communication with staff through at least 5 key symbols. Joshua will also communicate the need to use the toilet which is a major milestone for his independence. He will now walk into school from the gate unaccompanied which is a great achievement.

Well done Joshua!

# HOUSEKEEPING

We would like to encourage you to:

- Make any necessary payments through School Gateway. If you need assistance with this please do ask the office staff and they will be able to help.
- Medical appointments should be made out of school hours whenever possible. If this is unavoidable please notify us in advance of the date through the Home School Diary. Please let us have a copy of the appointment letter for our records.
- If you need to change the arrangements for your young person at the end of the day, e.g. someone else is collecting them, please let the class teacher know through the home school diary.
- Cars parked in the drop off zone during drop off and collection times must have their engines switched off.
- Please can Parents / Carers notify the school of any changes to their child's medication, consent to administer medication or medical needs as soon as possible.
- We would appreciate payment for cooking if you have not done so yet.

**Many thanks for your help**

## Offsite Visits

Just a reminder that if your child is going off site for a school visit they will be required to wear a face mask for travelling on the minibus if they are happy to wear one.

Please can you send one in with your child.

If you have any queries please contact the college.

## ARC Crawley

December 2021

### Baking

Dates for your diaries

The ARC will be closed on the following days

**Tuesday 14th December 2021**

**Monday 27th December – Friday 31st December 2021**

The ARC will re open on Monday 3rd January 2022

Our Baking Session have been a hit.

Here we have made a mini layered cake. Every ingredient was hand-made during this session and once all was prepared our customers decorated and served these low-fat sugar-free pieces of heaven.

The ARC would like to wish you all

A Merry Christmas & A Happy New Year!

We look forward to seeing you

all back at the ARC in

2022

### Sign of the month

Christmas

### Star Of The Month

George

Yoga Session

Since George has started Yoga, His listening skills has improved immensely. George can now relax and stay focused throughout a 1 hour session.

ARC is extremely proud of his achievements as George had to put in a lot of effort and work in to get where he is now.

Well Done George

### Theater Trip

The Poppy Red at The Hawth Theatre

This was a modern, tear-jerking production echoed in authentic gallic tones, it had the audience captured in its beauty as the narrative was told.

Staff and the clients who attended agreed it was a beautiful piece with a magnificent set that was a combination of multimedia and prop scenery wrapped up in wonderful acting and direct speech towards the audience, which was one of the elements we most enjoyed. We were so close to the stage which created an intimate feel as it felt that the characters were talking directly to the audience.

### Exciting News

Our discos will be returning from January 2022.

Keep an eye out for our poster which will be coming out soon

Wishing you a very  
Merry Christmas  
and a  
Happy New Year

# Manor Green College

'Opportunity and Success For All'
