

SPRING TERM 2 2023

Hello Parents & Carers

It is a good reminder for our students that we are now well over half way through the academic year. Our Year 12's & 13's will be looking ahead to their next year in FE and our Year 14's have their sights on their next steps. There is understandably a mixture of excitement and nerves.

I'd like to take this opportunity to remind our families of some important stepping stones towards gathering information about moving on. On April 20th there is our annual college "Next Steps" event. I really implore all parents & carers to make every effort to come in and speak to local colleges, provision & employers about their offer and the support available.

I will be in contact soon with details of our Activity Week. Students are preparing a mix of onsite and offsite activities to help celebrate our leavers (dates below). This year there will joint events with Key Stage 4 to increase the social opportunities with friends across the college.

In the meantime, ask your young adult about QR codes and how we have been using them? Plus, I hope to see many of you at the College production, in March, Starlight Express.

Best wishes as always,

Gareth Court
Head of FE

Destination Led Plans

All our support, learning & activities, in FE are based on individual outcomes for every student. Each student is making progress in their Independence, Social Understanding and Learning and we enjoy aiming towards their (and your) aspirations for the future.

Any conversation and support with our families, goes towards meeting those daily needs or future targets.

West Sussex Local Offer

<https://westsussex.local-offer.org/>

Use this website to research provision and opportunities available to you.

There are a range of term time & holiday activities that some of students already attend

"THANK YOU"

A message to all friends, FE families and staff for my birthday cards & wishes. I had a fabulous time at bowling with everyone and hope you all had a good time helping me celebrate turning 18!

From Thomas H, yr13 and his family
