

MANOR GREEN COLLEGE

Parent / Carer Offer Programme

*Opportunity &
Success for All*

What is it?

Manor Green College values the parents/carers of our students.

We understand that parenting comes with all sorts of challenges, with no guide book to follow. This becomes more complicated when supporting a child with a special educational need and/or disability. The support provided from the the Parent Offer Programme is non-judgmental and confidential.

We know that the most effective support requires a multidisciplinary approach that is bespoke to the needs of the student and their family.

Our categorised approach aims to achieve this.
